

RESPONDING QUICKLY TO SUSTAIN & SHELTER.

RK Strategic Management Solutions (RKSMS) is a turnkey services provider with the expertise, assets, and personnel to quickly mobilize customizable resources across Europe. The company also is able to leverage as needed the additional capabilities of The RK Group and its multiple specialty brands. A woman-owned enterprise with extensive experience for government, industrial, and commercial clients, RKSMS has through its established program history in Europe developed a wide network of trusted subcontractor and vendor relationships. With warehouses, inventory and expert staff in place, RKSMS is prepared to support your project needs at the highest level of professionalism for the most successful outcomes.

CAMP MANAGEMENT

Our team of specialists has delivered sustainable turnkey camp management solutions that include tenting and structures, power generation, HVAC, hygiene facilities and more for sites of every size.

TENTING & BILLETING

Soft-sided tenting with heat and AC, and/or climate-controlled sleep trailers, all bedding, and individual lockers.

FACILITY SERVICES

Experienced in facilities services, janitorial, office, and commercial cleaning services, and eco-conscious, construction site supervision.
